PROFESSIONAL SUMMARY

Bid Manager and proposal professional with experience leading end-to-end RFx development across government, infrastructure, telecommunications, technology consulting, and commercial facility services. Manage the full pursuit lifecycle, including opportunity qualification, bid/no-bid analysis, compliance, content development, pricing coordination, reviews, submission, and post-bid analysis.

Combine proposal expertise with business process improvement, data analysis, and executive reporting. Currently partner with technology leadership to translate commercial bid operations into Salesforce business requirements, workflows, structured data, and management dashboards. Experienced translating complex technical, operational, and procurement information into compliant proposals and decision-ready materials for cross-functional stakeholders.

Core Competencies:

- End-to-End Proposal and RFx Management
- Opportunity Qualification and Bid/No-Bid Analysis
- Compliance and Requirements Traceability
- Government and Commercial Proposals
- Proposal Planning and Cross-Functional Coordination
- Pricing and Cost-Driver Analysis
- Salesforce Requirements and CRM Reporting
- Bid Analytics and Process Improvement

PROFESSIONAL WORK EXPERIENCE

Quality Facility Solutions (QFS) **Mar 2026 – Present**

Bid Manager

- Manage the end-to-end commercial bid lifecycle, including opportunity qualification, RFP/RFQ review, bid/no-bid recommendations, proposal development, pricing coordination, compliance, submission, and post-bid analysis.
- Evaluate 80–100+ solicitations weekly and produce executive-ready analyses of scope, risks, pricing drivers, staffing assumptions, and operational feasibility.
- Develop tailored proposal packages by coordinating inputs across leadership, sales, procurement, pricing, operations, subcontractors, and other stakeholders.
- Built the Commercial Bid Performance Report into a management-reporting system covering bid performance, no-bid intelligence, pricing analysis, award results, and incumbent benchmarking.
- Partner with technology leadership to migrate commercial bid management into Salesforce by defining business requirements, workflow logic, reporting fields, dashboard needs, and historical-data mapping.

New York City Housing Authority (NYCHA) **Oct 2024 – Sept 2025**

Scope Writer / Proposal & Procurement Documentation Support (Remote)

- Drafted and supported RFI and RFP documentation for enterprise-scale procurements, including NYCHA's Customer Contact Center modernization.
- Developed evaluation frameworks, compliance documentation, and coordinated vendor Q&A with Legal, IT, Operations, and executive stakeholders.
- Produced governance documentation, requirements clarification, and decision-support materials for large, cross-functional modernization initiatives.
- Supported internal stakeholder alignment across HR, IT, and Operations during system transitions and service modernization efforts.
- Contributed to procurement standardization by supporting structured documentation, evaluation criteria, and cross-team coordination to improve consistency and decision-making.

Ready Artwork **Dec 2023 – Oct 2024**

Procurement / Proposal Consultant (Remote)

- Developed compliant public-sector proposals by coordinating requirements, response content, supporting documentation, and submission materials.
- Advised on solicitation requirements, certifications, eligibility, and subcontractor documentation to support responsive proposal development.

Once Upon an RFP **July 2022 – Dec 2023**

Proposal Consultant (Remote)

- Managed proposal intake, compliance, drafting, review, and submission across multiple industries and concurrent deadlines.
- Produced tailored responses and reusable content resources that improved proposal clarity, positioning, and efficiency.

Charter Spectrum **May 2020 – Oct 2020**

Senior Proposal Writer – Government Proposal Specialist (Remote, Contract – 6 months)

- Managed FAR-compliant federal telecommunications proposals under the GSA EIS program for U.S. military installations.
- Coordinated Legal, Pricing, and Technical contributors while supporting compliance reviews, reusable content, and final submission.

Stellar Services, Inc **May 2017 – Oct 2019**

Proposal Specialist – Admin Assistant (On-Site)

- Supported 200+ public- and private-sector RFx responses, coordinating technical inputs, compliance documentation, and deadline-driven submissions.
- Maintained proposal templates, reusable content, project references, and submission workflows for a high-volume business-development operation.
